

The goal of the Bethlehem United Methodist Church Safety and Security Ministry is to provide a safe environment to all who worship, visit and work here.

We are assessing our readiness should a medical emergency occur. As part of the assessment we would like to have you answer the following questions. Please circle your response:

- Are you currently CPR certified? Yes No
- Have you had first aid training? Yes No
- Have you ever completed AED training? Yes No

If the church offered a certification or training program at minimal or no cost would you be interested in attending?
