Welcome to Bethlehem United Methodist Preschool. We thank you for choosing our school for the care and education of your child. We view our role as a partnership between the home and school and consider it a privilege to have your child join our preschool family. We encourage you to be actively involved in your child's education this year.

This handbook outlines our policies and procedures. However, like all handbooks, it is impossible to cover all the questions that may arise from time to time. Therefore, we encourage you to contact us at any time with any questions you may have.

History

Bethlehem United Methodist Preschool opened its doors in 1984 as an outreach ministry of Bethlehem United Methodist Church. The program is open to all members of the community and neighboring counties. Bethlehem United Methodist Preschool operates as a preschool by the Commonwealth of Virginia as a Religious Exempt Center with Department of Social Services and undergoes a renewal process annually. A copy of the letter is kept by each classroom. Bethlehem United Methodist Church also carries comprehensive liability insurance on all our programs, including preschool, facilities, staff, and people. Our coverage is with Church Mutual Insurance.

Our Philosophy

Bethlehem United Methodist Preschool is an integral part of the outreach ministry of Bethlehem United Methodist Church. Our Preschool's educational programs help children develop spiritually, mentally, physically, socially and emotionally while gaining readiness experiences to enhance their public or private school program for kindergarten. Our program encourages the children to develop self-discipline, a positive self-image, a curiosity for the world around them, and an appreciation for the value of human life shown through God's love.

Program

Our programs are designed to help our children develop spiritually, physically, emotionally, cognitively, and socially. Each child receives individual attention and is directed toward reaching his or her maximum potential. The Three-year-old and Pre-K schedules include age-appropriate guided free play, circle time, reading readiness/language arts activities, math, science, social studies, music, art, snack or lunch time and technology activities. Additionally, children participate in chapel each week led by the pastor, teaching staff, and family minister.

Newsletters

Frequent communication between home and school is important to us and to your child's success. Parents will receive a class newsletter, e-mail, or calendar of activities by each class. The purpose of the newsletter is to keep parents informed about what their child will be doing so that parents may support the child's learning at home, and, secondly to share other pertinent information that may arise from time to time. Look for them in your child's backpack and/or e-mails from your child's teacher. It is important to keep up with what is going on in the classroom.

Communication

The school agrees to keep you informed of your child's progress in all areas. We will contact you promptly if your son/daughter is having educational or behavioral difficulties. In addition to parent conferences held twice a year, the school welcomes informal communications between teachers and parents. Feel free to call or to e-mail for updates at any time.

We seek a partnership with parents. Parents who understand that teachers are trained professionals who understand children's developmental needs find that mutual respect leads to positive results for their children. Bethlehem United Methodist Preschool is committed to treating parents with respect, recognizing that they are their child's first teacher. Together, we have the same mission: the nurturance and development of the whole child.

School Code of Conduct

To be a member of our school community is to accept and abide by the following expectations in the school parent partnership, it is expected that all school parents will:

- Seek, in selecting a school, an optimal match between the needs of their child, their own expectations and philosophy and programs of the school.
- Recognize that effective partnerships are characterized by clearly defined responsibilities, a shared commitment to collaboration, open lines of communication, mutual respect, and a common vision of the goals to be achieved.
- Respect the school's responsibility to do what is best for the entire community, while recognizing the needs of their individual child.
- Familiarize themselves with and support the school's policies and procedures.
- Provide a home environment that supports the development of positive learning attitudes and habits that are consistent with those of the school.
- Involve themselves in the life of the school, through volunteerism and other means, to promote the best interests of their child.
- Share with the school any cultural, medical or personal information that the school may need to best serve their child and the school community.
- Seek to resolve problems and secure information through appropriate channels (i.e., teacher, director, Preschool Board – in that order).
- Treat everyone with respect and maintain an educational, rather than adversarial tone, in face of the inevitable conflicts and challenges.

General Information

First Day of School

The first time in a new environment may be difficult or uncomfortable for a child as well as a parent. Whether your child seems to be having difficulty or not, we ask that you bring your child to the check in area outside of the classroom, assure him/her you will be back soon, say a quick good-bye and leave. Your child may try to draw out the process, but we have found if these steps are followed from the beginning, the unhappiness, if any, usually lasts only a few minutes.

If staff are out and substitutes are in the classroom, all adults picking up will be asked for identification to ensure children are picked up by the correct person.

PLEASE keep the school updated on any phone number, address changes, e-mail changes or changes in those listed as having permission to pick up your child.

Toys

Please do not allow your child to bring toys or other belongings to school unless asked to do so (for example: Show and Tell)

We are also aware that there may be days when your child is going to someone's home after school and wants to bring something special with him or her. That is fine, but their treasure must stay in the school bag.

PALS PreK Assessments

We will be assessing all PreK children using the PALS PreK Assessment in the fall and again in the spring. This information will be shared with Bedford County Public School System, as it is the same assessment tool they use. This is a great measurement tool for teachers and parents on the progress of each child. We will fully explain the purpose and procedures, as well as go over all results with parents.

Safe Sanctuaries

At Bethlehem United Methodist Church, we offer a place where children can find unconditional love and care they need to grow and thrive. We take our responsibilities to our children seriously. We take precautions against abuse in our churches; doing our best to protect the children in our care. We follow a policy of prevention known as "Safe Sanctuaries." Through the "Safe Sanctuaries" Program, churches train and certify persons as safe workers with children and youth. These policies include such things as screening and checking references for paid employees and volunteers; preventing abuse; recognizing signs of abuse and reporting of abuse; making sure insurance coverage is adequate; and developing building usage policies. In all things done, we want to ensure we are treating these precious little ones just as Jesus would do.

Volunteers

As the year progresses teachers may request parent volunteers to assist in classrooms for special parties and lesson activities. Volunteers must always be in a room with a teacher, assistant teacher, or another Safe Sanctuary trained person if children are in the room.

Field Trips

Bethlehem Preschool offers school wide field trips in the fall and spring. Parents attendance and transportation is required for each student. On site Preschool classes will not be offered on field trip dates. Trip sites and dates TBD.
